A great event and fun day out with lots to see, thanks SC Jaguar Club for a very well organised event, see you next year!

Stephen and Karen Rouse

SC Jaguar Club Bonanza Charity Run for the Riding for Disabled

We awoke to a fresh morning, headed off to the Loop bridge with a car load of Christchurch Earthquake Girls for a fun and enjoyable day out, to a Charity cause well worth attending.

We headed off along with many members from the Jaguar Club and their wonderful cars, Mustangs, Studebakers, Mazda MX5 and others, along with the Kurow Crew who drove in the MK3 for a day out.

We arrived at Riding for Disabled for morning tea, where we met with a 34 year old horse and a few others some as young as 6 years of age, morning tea, raffles and books were available for purchase for fundraising,

Then off to a lovely farm just out of Waimate Gorge at the Irelands who were wonderful hosts, showing us through their house, gardens etc, lunch could be purchased, raffles were drawn, Stephen and Alistair both won a jug of beer from the Carlton Hotel, then we were off to next venue for afternoon tea at the Wigleys where grain was threshed and all with the original farm machinery.

Devonshire tea was available to purchase, a great day out and feeling a little thirsty we decided to cash in the raffle prize and have a beer at the Carlton on the way home.

PRESIDENT'S REPORT

It is now nearly 2 years since we won the rights to host the International Convention 2011.

Thanks to the Mackenzie Motor Inn we were able to offer an Early Bird draw for accommodation. This got the major part of our registration in, congratulations to John and Gaye Rich from Ashburton and Val and Lyall Mooney from Picton who were the 2 lucky winners.

As a committee we were expecting 90 registrations but to date we are now over 140 which well and truly supports our decision to take our Convention to Twizel. There seems to be quite a buzz about going to MT Cook and cruising the Mackenzie country.

We have some very generous members and thank them for their sponsorship and support, check our website and the sponsors list. We will need help on the weekend so please contact a committee member if you want to help over the weekend.

Show n Shine we had a good turnout of MkII's and 1 MkIV, no MkIII or MkI's but this didn't deter from a great day cruising to the Woodbury Domain. Congratulations to the winners, details in the magazine.

AGM in May, this is your time to stand up and take on a committee position. It is time for the club to have a change of committee so get your name in the hat. Please contact me if you need any information.

See you at the next event.

Keep it simple keep it friendly.

EDITOR'S REPORT

The months just keep flying past with only a few weeks until our International Convention.

Its so exciting and as I am looking forward to meeting up with all our friends from Australia, UK ,North Island and of course our South Island members. As we missed the last International in Masterton due to Mum's ill health this year will be special.

Thanks also for the articles and your support.

Sunday morning Ruth and Don, Bob, Phil and I had a very enjoyable breakfast at Monteiths with Garey and Sue arriving for coffee. Garey and Sue had to leave their MK III Zodiac in their drive as it would not go.

Then it was down to port loop carpark for show n shine.

Mike & Alice and Stephen Rouse also arrived.

After judging we headed out to Woodbury Domain for picnic lunch, what a lovely spot and the weather was also kind to us with the downpour after everyone was home.

A nice Sunday spent with friends

The winners are

John and Gaye Rich from Ashburton

Val and Lyall Mooney from Picton

Congratulations to both couples, and our thanks go to the Mackenzie Country Inn for their generous donation of the prizes

The car is running on conventional crossply tyres with clip on white walls.

We are looking forward to picking up Mrs McAuley (Amy) and taking her for a ride, this should bring back many happy memories for her.

Thanks to all those who have helped us with this restoration and special thanks to Ron Thompson. It is going to be great that Ron and Mavis take her on her first outing for the International Convention Twizel 2011.

She looks good.

With the extra chrome kit fitted and spats which were all available in 1957 (mainly in Australia) to me is a very stunning looking car and we are very happy with the results and we are looking forward to several outings.

1958 Mk II Zephyr

I bought this car in April 1985 from Charlie Tottall who was the 3rd owner. We used the car every day to go to work and in the Whitebait season I would pack it full of supplies and head for the Haast river on the West coast.

Because the previous owner didn't garage the car, the doors suffered from blocked outlets and the doors had to be repaired for rust. This was done by Tich Findlay in the middle of 1989. I then put the car in the shed and started to do it up which didn't go to plan as I had hoped. I am only sorry I didn't get more done but because of health problems I sold the car to Phil Rooke in early 2006.

Ron Thompson

Talking to Ron I asked how long he had owned the Mk II and on checking the ownership papers I noted the car was purchased new by George and Amy McAuley. George and Amy were our neighbours for over 20 years and it was great to have purchased a car with such special history. Amy was delighted that we purchased their old car and I now have photos taken in March 1958 as a new vehicle.

The car was sold to Ernie Sprague (dealer) who in turn sold it to Charlie

Tottall. The restoration is now underway at a restoration company in Christchurch - so watch this space

To be continued - April 2007 magazine.

Continuation April 2011

Our restoration didn't go as planned and the car was removed from the restoration company in Christchurch. This was not a good time but we had the car finished off in Timaru.

The car is now known as Amy and has had extra chrome fitted, spats to the back wheels, mud flaps to front wheels and some of these parts were purchased when we went to the Sydney 2000 International Convention and recently spotlights sourced off Trademe.

Amy and has been painted the original green colour except for the cream insert and has been completely reupholstered to her original colour and vinyl.
